

Road Safety Program + Caravan Towing

Course Description and Learning Outcomes:

ADI's Road Safety Program and Caravan awareness is designed to develop preventative driving and towing skills and road safety awareness by aligning techniques to Worlds Best Practice. Our Instructors train and then seamlessly assess each participant to a required standard to identify competency and capability. This program is most suitable for drivers who drive and tow throughout Australia.

Learning Outcomes:

- Understand the importance of driving and towing safely
- Know the hazards and risks associated with driving and towing
- The ability to apply safe driving and towing methods in accordance with Worlds Best Practice and Australian Road Law

Duration: One full day (8.00am – 4.00pm)

Instructor: Driver Ratio 1:Up to 2 Participants

Vehicle Requirements: One registered and road worthy vehicle and caravan is required for the day.
