

# Trailer towing and awareness

## Course Description and Learning Outcomes:

ADI's Trailer Towing and Awareness program is designed to develop towing and manoeuvring skills by aligning techniques to Worlds Best Practice. Our Instructors train and then seamlessly assess each participant to a required standard of compliance with a client's company driving, motor vehicle and towing policies to identify competency and capability. This program is most suitable for corporate and professional drivers who are required to tow a trailer for work purposes.

### Learning Outcomes:

- Understand the importance of towing a trailer safely at work
- Know the hazards and risks associated with driving a trailer
- The ability to apply safe trailer towing methods in accordance with Worlds Best Practice and Australian Road Law

**Duration:** One half day - 4 hours (8.00am – 12.00pm)

**Instructor:  
Driver Ratio** 1:Up to 3 Participants

**Vehicle  
Requirements:** One registered and road worthy vehicle and trailer is required for the day.
