

Road Safety Program + Trailer awareness

Course Description and Learning Outcomes:

ADI's Road Safety Program and Trailer Awareness is designed to develop preventative driving and towing skills and road safety awareness by aligning techniques to Worlds Best Practice. Our Instructors train and then seamlessly assess each participant to a required standard of compliance with a client's company driving, motor vehicle and towing policies to identify competency and capability. This program is most suitable for corporate and professional drivers who are required to travel throughout metro and regional Australia for work purposes.

Learning Outcomes:

- Understand the importance of driving and towing safely at work
- Know the hazards and risks associated with driving at work
- The ability to apply safe driving methods in accordance with Worlds Best Practice and Australian Road Law

Duration: One full day (8.30am – 4.30pm)

Instructor: Driver Ratio 1:Up to 3 Participants

Vehicle Requirements: One registered and road worthy vehicle and trailer is required for the day.
